In order to prepare these Interim Financial Statements, the Board of Management must:

REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION**THE SHAREHOLDERS, THE BOARD OF DIRECTORS AND THE BOARD OF MANAGEMENT
CMH VIET NAM GROUP JOINT STOCK COMPANY**

We have reviewed the accompanying Interim Financial Statements of CMH Viet Nam Group Joint Stock Company (hereinafter referred to as "the Company"), which were prepared on 18 August 2025, from page 5 to page 31, including the Interim Balance Sheet as at 30 June 2025, the Interim Income Statement, the Interim Cash Flow Statement for the first 6 months of the fiscal year ended 31 December 2025 and the Notes to the Interim Financial Statements.

Responsibility of the Board of Management

The Company's Board of Management is responsible for the preparation, true and fair presentation of the Company's Interim Financial Statements in accordance with the Vietnamese Accounting Standards, the Vietnamese Enterprise Accounting System and relevant statutory requirements on the preparation and presentation of Interim Financial Statements; and responsible for the internal control as the Board of Management determines necessary to enable the preparation and presentation of the Interim Financial Statements to be free from material misstatement due to fraud or error.

Responsibility of Auditors

Our responsibility is to express a conclusion on the Interim Financial Statements based on our review. We conducted our review in accordance with the Vietnamese Standard on Review Engagements No. 2410 – Review of Interim Financial Information Performed by the Independent Auditor of the Entity.

A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Vietnamese Standards on Auditing and therefore, it does not enable us to obtain a reasonable assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express our audit opinion.

Conclusion of Auditors

Based on our review, nothing has come to our attention that causes us to believe that the accompanying Interim Financial Statements do not give a true and fair view, in all material respects, of the financial position as at 30 June 2025 of CMH Viet Nam Group Joint Stock Company, its financial performance and its cash flows for the first 6 months of the fiscal year ended 31 December 2025 in accordance with the Vietnamese Accounting Standards, the Vietnamese Enterprise Accounting System and relevant statutory requirements on the preparation and presentation of Interim Financial Statements.

Other matter

The Report on review of the Company's Interim Financial Statements for the first 6 months of the fiscal year ended 31 December 2025 has been prepared in both Vietnamese and English. In the event of any discrepancy between the two versions, the Vietnamese version shall prevail.

The cost of inventories is determined using the weighted average method and recorded in accordance with the perpetual inventory system.

Net realizable value is the estimated selling price of inventories in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.
